PRAY FOR NDOLA, ZAMBIA

Dear Mission Partner,

As we near the end of the age, God continues to open doors for EPI to be involved in His great ENDTIME HARVEST. More people are being BORN AGAIN on planet earth today than ever before. We invite YOU to stand with us as we TOGETHER help fulfill THE GREAT COMMISSION. EPI will be partnering with Hassler Evangelistic Ministries beginning September 28 for a two week project. Leroy Hassler had this to say about the project: "When we left N'DOLA in 2004, God put it on my heart to return in the future. Now the time is right and preparation is being done. We are not sure if anyone has preached in the schools since we departed in 2004." Hassler went on to say, "We were not able to do even half the schools in that city." This project will include four teams, with EPI sponsoring one of the teams. Each team is expected to have up to 10,000 decisions for Christ. Imagine... 40,000 decisions for Christ in one project! God's plans and ways are not ours. He is a BIG God with BIG plans. Don't miss this opportunity to be involved in this great Harvest!

PLEASE PRAY FOR THE FOLLOWING:

- Pray for safe travel for each team.
- Pray for open doors and God's favor at each school venue
- Pray for God to open the heart of each child and teacher to the truth of the GOSPEL
- Pray for the moving of the Holy Spirit in the Jesus Film Meetings.

A Vision for His Nation.... GHANA

Recently Eugene Narh, Director of the Reach the People Ministries of Ghana, Africa was in the Fort Worth area on a visit. He and his wife Emma along with three young men (Gabriel, Solomon, William) who have accepted God's call and challenge to reach their nation with the Gospel work tirelessly toward that goal. October, 2010, EPI partnered with RPM and physically worked alongside these men to see great results in the Ashanti region. Because of your generous contributions we have been able to continue to partner with RPM allowing them to expand their project numbers to include two additional projects this year. November 12-26 will be the last of the two projects. Eugene and his team will travel into the Duaynaw-Nkwanta District where schools, villages and churches will be impacted by the Gospel. Just as Eugene and his team have a vision to reach their nation, will you ask God to give you a vision to reach your family, neighborhood, city, state and nation with the Gospel? Please join us in praying for: **Safe travel; Good weather conditions; Open doors & receptive hearts; Health for team members; protection of equipment and a great harvest of souls.**

Plane's State Jail Dayton, Texas August 19-20

Excited for the opportunity, I lined up along the wall outside the POD. While waiting I was praying. When I looked up and into the POD, my eyes connected with a former Tarrant County Inmate to whom I had ministered some months before. A coincidence? No! Out of 2,500 prisoners, God in His divine plan orchestrated the encounter.

It was 110° inside the POD. Fifty-eight women were in all manner of dress. Many lay lethargic on their bunks. One large industrial size fan roared pointing in no particular direction, with two smaller fans whirring like the propellers of a helicopter moving little if any air offering a modicum of relief. The air was pungent with body odor. The metal tables and benches bolted to the floor were arranged in the center of the room and smeared with fingerprints. The bathroom facilities at the back emanated odors that were noxious and assaulting to the nose. The bunks lined the walls grouped in fours. Two long painted wooden benches faced one bank of bunks and the only TV in the room.

Women were sleeping, reading, writing letters, doing hair, crying while a couple of young women had discovered a way in which to color their eyelids using colored pencils. Surprised by the sudden intrusion of their daily boredom, they seemed stunned to find non prisoners in the POD

Marciel had gathered a small group of women and ushered them to a table. She motioned for me to come to her table. No physical contact permitted we could only exchange cordial greetings. Curious about my presence she asked why I had come. To answer her question I shared the full Gospel Message. Two of the young ladies in that gathering prayed to receive Christ. Marciel, a gang member and new mother, did not respond but heard the Gospel message again. I noticed the guard hanging close but never interrupting. When the time to move to the next POD came, I was informed that I was only to invite the ladies to the crusade and pray with those who expressed a need.

725 women came to the four services. The worship time was impactful in music, testimony and message. Brad Gardner, director of Prisoners Bible Institute gave opportunity for women to respond to the message of salvation by a show of hands. Hands went up all over the room. Many abandoned, lonely, disowned women received hope. They came for a variety of reasons and left encouraged, challenged and with God's Word fresh on their minds and hearts. Blowing kisses to the volunteers and mouthing Thank You the women filed out of the Chapel, eyes brimming with tears.

Blessed to Serve....Sharon

Dorothy James Prayer Warrior Extraordinaire

14 years ago encouraged to pray for workers in the Children's ministry, 83 year old Dorothy James received our names. Dorothy did not know us, nor did we know her. Throughout the years I would run into Dorothy and she would always say, "I am still praying for you and your family." Dorothy did not know how God would use her prayers in our lives. Recently we had lunch with Dorothy. When we took her home she invited us in and said, "I want to show you something." She opened her Bible and there tucked inside was the original card given to her with our picture and names. We also discovered our names were not the only names for which she prays. We are grateful for her investment in our lives. Only eternity will reveal how the effectual fervent prayer of Dorothy James availed much. **Will you join our prayer team?**
