The Jesus Film Ministry

As reported by Campus Crusade for Christ:

- Every eight seconds, somewhere in the world, another person indicates a decision to follow Christ after watching the “JESUS” film.
- Every eight seconds...that’s 10,800 people per day, 324,000 per month and more than 3.8 million per year! That’s like the population of the entire city of Pittsburgh, PA coming to Christ every 28 1/2 days. And yet, if you are like many people, you may have never even heard of it.
- Called by some “one of the best-kept secrets in Christian missions,” a number of mission experts have acclaimed the film as one of the greatest evangelistic tools of all time. Since 1979 more than 200 million men, women and children worldwide have indicated decisions to follow Jesus after viewing the film. In addition, through hundreds of partners an estimated 10+million decisions have been made as the film “JESUS” is used extensively by the Body of Christ worldwide.
- Based on the Gospel of Luke, the “JESUS” film has now been translated into more than 1140 languages, with a new language being added every month. This allow’s God’s Word to speak to people in more than 200 countries in languages they know and understand. Not only is the story of the “JESUS” film one of effective evangelism, but also a powerful tool for expanding the church worldwide. According to noted missions expert, Dr. Stephen Steele, “Three quarters of all churches planted in the last decade of the twentieth century around the world used the “JESUS’ film as part of the church-planting process.”

EPI has been a part of planting three churches in 2012 and ALL THREE UTILIZED THE JESUS FILM in the church planting process. During the month of April, EPI partnered with Patson Mvula of Campus Crusade for Christ. He sent the following testimony of how the Jesus Film touched a man in a profound way. Read his words: *“There was a very drunk man who came with his beers in hands to watch the Jesus*

Patson and John working together in Livingstone Zambia. Patson works with Campus Crusade showing the Jesus Film to thousands every year.

film. During Jesus’ crucifixion, the man began to weep profusely. Then he broke all 4 bottles of beer and came forward to receive Jesus. His tears were from the conviction he felt for the sins he had committed that nailed Christ to the cross.”

Because the Jesus film is an effective tool it is on high demand. It is necessary to secure the equipment and film in advance to ensure its availability. To do so is costly because both equipment and film are required. We thank you for partnering with us to help provide this tool for those on the field. Your faithful contributions to EPI make the showing of this film possible. In so doing together we are reaching thousands with the Gospel. Thank You!
